

Application

PURPOSE

This club is a modular club working with "O" and "O27" gauge model trains. We are the only tin plate/high rail modular club in the Mahoning Valley. At our shows, our 14 modules are assembled together to make a complete four track 19' x 34' operating layout.

If you are interest in joining our club or want additional information, please contact:

Bill Parisi
6725 Paxton Rd
Youngstown, OH 44512
330-507-8843

To join our club please fill out the information below and send it, along with a \$25.00 check payable to **John Ciccarelli**, to the address above.
